- The [little villages](#) and their pretty chapels.
- **Out of Season**, the nearest shop is in the next village down 'Peisey', which is open in the mornings only. It is also a very beautiful, typical Savoyard village and well worth taking your camera. Summer market = Wed am. Tuesdays in the summer season there is a guided tour of Villaret and the Peisey church – it's free, but mainly for French speakers.
- [Vanoise National Park](#), Rosuel - This is a place NOT to be missed (just a couple of turns down the mountain and keep left past Nancroix. Walking galore!
- Walk to [Notre Dame des Vernettes](#) 45 minutes.

- Walk up the Forest to the nursery slopes to [La Bergerie du Rey](#) and sample their home-made produce – a really lovely experience!
- [Bourg Saint Maurice](#) is the nearest big town for shopping. Market = Saturday am + Wed [eve](#).
- [Aime](#) is very pretty (you will have gone on the by-pass on the way to Vallandry). Market = Thur. There is a shallow warm lake for swimming on the

way there ("[base de loisirs](#)"), with a lot of activities in summer and a Creperie. NB No dogs around the base de loisirs itself.
